- Tom: 203-807-2302

Check-in Leaders – Jen & Tess

At check in you will:

- Sign volunteer waiver
- Receive Volunteer t-shirt
- Be given your location & instructions for your spot on the course, after which you'll hop back in your car to drive to your spot.

General Instructions: As course volunteers you help to direct our athletes and keep them safe on the course. You will receive specific instructions at volunteer check-in but overall, please stay off of your cell phones and stay alert on the course for your safety and for that of our athletes. And of course, remember to cheer on those cyclists!

When you're done on the course (a volunteer in a vehicle from "Endurance House" will circle course to let everyone know when they're done) consider heading back to Cummings Beach to for a bite to eat and the family festival! (You'll need to enter the park via the Soundview entrance).

Any questions before Sunday feel free to email Kristen at Ktomasiewicz@kidsincrisis.org and THANKYOU for volunteering!!
